

GENERAL INFORMATION FOR STUDENTS

School is scheduled to begin Sept. 5. See calendar page for details.

Dress Code:

Shoes: All Ballet classes require slippers with elastic across arch of foot. Pink preferred for girls; black for boys.

Girls:

Pre Ballet Division: Any color/style leotard. Skirts or tutus are acceptable-we want them to feel like ballerinas! Tights are optional, not required. Hair should be securely fastened, away from face. Please use firm barettes or elastics, not scrunches or other items that may fall out.

Dance attire/slippers available at D'Lynnes Dancewear, 1137 Fourth St (between A & B), San Rafael or Marin Dancewear, 5420 Nave Drive, Novato (Hamilton/Ignacio Area).

Ballet 1 and higher: Leotards and pink tights are required for all classes. Please note, any color/style leotard is acceptable. No coverups, shorts, skirts or torn tights allowed. All jewelry MUST be removed. Hair must be in a neat, classical ballet bun.

Boys: Bike shorts or tights and fitted shirt.

Locations:

All classes are held at our new location at 70 Greenfield Avenue, San Anselmo. All students must enter through the front lobby.

Renewals/Withdrawals

Once you are placed in a class, your spot is **guaranteed** for the school year. You **must** notify the office in writing (email or snail mail) if your child withdraws from class or you will be responsible for tuition, regardless of if he/she attends, as we are holding the spot as a courtesy to you!

Parking & Traffic Safety:

Always allow sufficient time for parking and safe drop off of students in designated loading zones.

All families must adhere to the traffic safety rules as outlined on the enrollment agreement/waiver. PLEASE BE SURE TO TELL ALL CAREGIVERS, GRANDPARENTS OR ANYONE ELSE THAT DRIVES YOUR CHILD.

Adjacent private lots at Java Hub and Matteucci's are reserved for CUSTOMERS ONLY.

Do not double park or stop in the middle of Greenfield Avenue to drop off students.

Please depart PROMPTLY so parking spaces "turn over" for the next class.
